

# Middle C

- This is the pitch that sits roughly in the middle of a piano keyboard
- This is how the note is written in four clefs:

The image shows a single horizontal line divided into four sections by vertical bar lines. Each section contains a musical staff with a different clef and a single note representing Middle C. From left to right: 1. Treble Clef (C-clef on the first line) with a note on the first space. 2. Alto Clef (C-clef on the third line) with a note on the third line. 3. Tenor Clef (C-clef on the fourth line) with a note on the fourth space. 4. Bass Clef (F-clef on the first line) with a note on the second space.

**Treble Clef**      **Alto Clef**      **Tenor Clef**      **Bass Clef**

The diagram shows two staves, Treble and Bass, connected by a brace. The Treble staff has a note on the second space, and the Bass staff has a note on the second space. Arrows point from the text 'Piano Right Hand' to the Treble staff and 'Piano Left Hand' to the Bass staff. A green arrow points from the text 'Middle C' to both notes.

- **Piano Right Hand**
- **Piano Left Hand**

**Middle C**
